

# Invitation to Brisbane Boat Show Marine Industry Careers Activity Day 23 August 2019

**Brisbane Boat Show 2019**  
**Brisbane Convention & Exhibition Centre, South Bank**  
**Friday 23 August 2019**

We invite you and your students to participate in a Marine Industry Careers Activity Day at the 2019 Brisbane Boat Show, held at the Brisbane Convention & Exhibition Centre at South Bank.

The Boating Industry Association has devised an activity day that engages the students and encourages them to look beyond the boats and think about the types of careers that are on display at the Boat Show.

#### How it works:

1. Complete the registration form and return by email to [jenny@bia.org.au](mailto:jenny@bia.org.au)—no later than Friday 16 August 2019
2. Sort your students into teams of 4 or 5.
3. When signing in on the day, each team will be given an activity sheet which they must complete during their time at the Show.
4. Once they have completed the activity sheets, collect them from your students and hand them in to the BIA representative at the interactive group activity.
5. The BIA have planned an interactive group activity that we encourage all students to attend at 1pm on Friday 23 August. The session will include a lifejacket demonstration by Maritime Safety Queensland and talks from Queensland Parks & Wildlife on career paths, as well as various other speakers.

#### A few notes:

Entrance to the Show is free, providing all completed activity sheets are handed into the BIA

If you have any questions about the invitation please call me on 0428 206 996 or send me an email, to [jenny@bia.org.au](mailto:jenny@bia.org.au).

I look forward to hearing from you soon.

Kind regards,

Jenny Bellaver  
Member Services Officer  
Boating Industry Association Ltd
